

## Medical Laboratory Self Assessment

### Directions

Please circle a value for each question to provide us and the interested facilities with an assessment of your clinical experience. These values confirm your strengths within your specialty and assist the facility in the selection process of the healthcare professional.

Frequency				Experience			
1	Observed Only or Never Done	1	No Experience				
2	Rarely Done (<6 times/year)	2	Some Experience (Requires Assistance)				
3	Occasionally Done (1-2 times/month)	3	Experienced (Performs without Assistance)				
4	Frequently Done (daily or weekly)	4	Very Experienced (Performs Well)
